Monthly volume-based commissions

Online Contract Options are traded on these monthly volume-based commissions;

Contract Currency	Trade Volume: Contracts / Month		
	1 - 250	251 - 1,000	1,000 - 5,000
AUD	10.00	5.00	2.50
EUR	6.00	3.00	1.50
GBP	5.00	2.50	1.25
SGD	15.00	7.50	3.75
USD	6.00	3.00	1.50
CHF	8.00	4.00	2.00
JPY	1,000.00	800.00	750.00
NOK	65.00	35.00	20.00
SEK	75.00	40.00	20.00
CAD	6.00	3.00	1.50
HKD	45.00	30.00	20.00

If no agreement exists to the contrary, you will be charged the highest price category in the table. Contact G&T TRADER to apply for another price category if applicable based on previous trading volumes.

Moves to different price categories take place at the discretion of G&T TRADER and always take effect from the beginning of the following month without any adjustment in commissions already paid.

No Minimum Ticket Fees

When trading Contract Options at G&T TRADER, there are no minimum ticket fees. Each trade is subject to a flat-rate fee based on the applicable volume bracket.

No Overnight Carry Cost

When trading Contract Options at G&T TRADER, there are no carrying costs involved, that is positions held overnight will not attract either rolling or interest charges.

No Custody Fees

When trading Contract Options at G&T TRADER, there are no custody fees involved.

No Trading platform fees

G&T TRADER does not pass any costs for using G&T TRADER trading software to clients. Trading on SaxoTrader, SaxoWebTrader and SaxoMobileTrader is free of charge.

Live data prices

Complimentary to existing live data subscriptions on Futures Exchanges, G&T TRADER offers streaming Contract Options prices on the same exchanges free of charge.

This also means that you are provided with direct market access to trade Options on various underlying assets on live streaming prices without dealer intervention.
